JUNIOR HIGH

EIGHTH GRADE

1st Row: l to r. Pauline Pearson, Shirley Ritzline, Virginia Beard, Gernetta Fields, Norma Jean Lyle, Shirley Hornsby.
2nd Row: Donald Cain, Earl Phillips, Eugene Eversole, Donald Plessinger, Charles Cain, Malcomb Deputy.
3rd Row: June Ferry, Daisy Rutherford, Charles Bowlin, Eliza Jane Campbell, Jeanne Hatton, Mary Lou Campbell.

EIGHTH GRADE HISTORY

On September eighteenth, 1950, eighteen eighth-grade pupils entered Deputy Junior High, ready and eager to start school. Almost immediately it was announced that Mr. John Schepman was to be our class sponsor.

Later in September the class held an election and elected the following officers: president, Shirley Hornsby; vice president, Malcomb Deputy; secretary treasurer, Shirley Ritzline. Pauline Pearson and Mary Lou Campbell were elected as cheer leaders. The eighth grade basket ball players are Malcomb Deputy, Marvin Creech, Donald Plessinger, Eugene Eversole, and Charles Cain.

Several of our class are active in 4-H, and among those who have won awards are Jeannie Hatton, Shirley Ritzline, Mary Lou Campbell, Gernetta Fields, Malcomb Deputy, and Charles Cain.

We were proud of our part in the Christmas program. The entire class is in the chorus which sang as a part of a community Christmas program that was highly complimented

Other members not already mentioned in the eighth grade are Virginia Beard, June Ferry, Earl Phillips, Donald Cain, Daisy Rutherford, Eliza Jane Campbell, and Norma Jean Lyle.

SEVENTH GRADE

1st Row: L. to R. Norma Lou Rea, Sue Finch, Margaret Pearson, Carolyn Cain, Jeannie Cook, Carolyn Boals, Betty Lou Butler, Linda Henry, Marie Helton.
2nd Row: Helen Mann, Fred Johnson, Kenneth Deputy, Paul Huff, Robert Owens, Toy Huff, Roscoe Herald, Stanley Nay, Irene Mann.
3rd Row: Shirley Blasdel, Earl Graham Baxter, Donald Paul Bowlin, Ballard Lamb, Odell Rea, Floyd Ray, Billy Coomer, Bill Witt, Ramona Lynch.
4th Row: Gracie Spradlin, Thelma Terry, Thelma Turner, Annette Rutherford, Geraldine Coomer, Betty Lou Huff, Dolly Ruark, Sonja Nay.

SEVENTH GRADE HISTORY

On the eighteenth day of September, 1950, thirty-two seventh grade pupils crowded through the doors of Deputy Junior High to become the largest class in the upper six grades and our teachers say, "the liveliest."

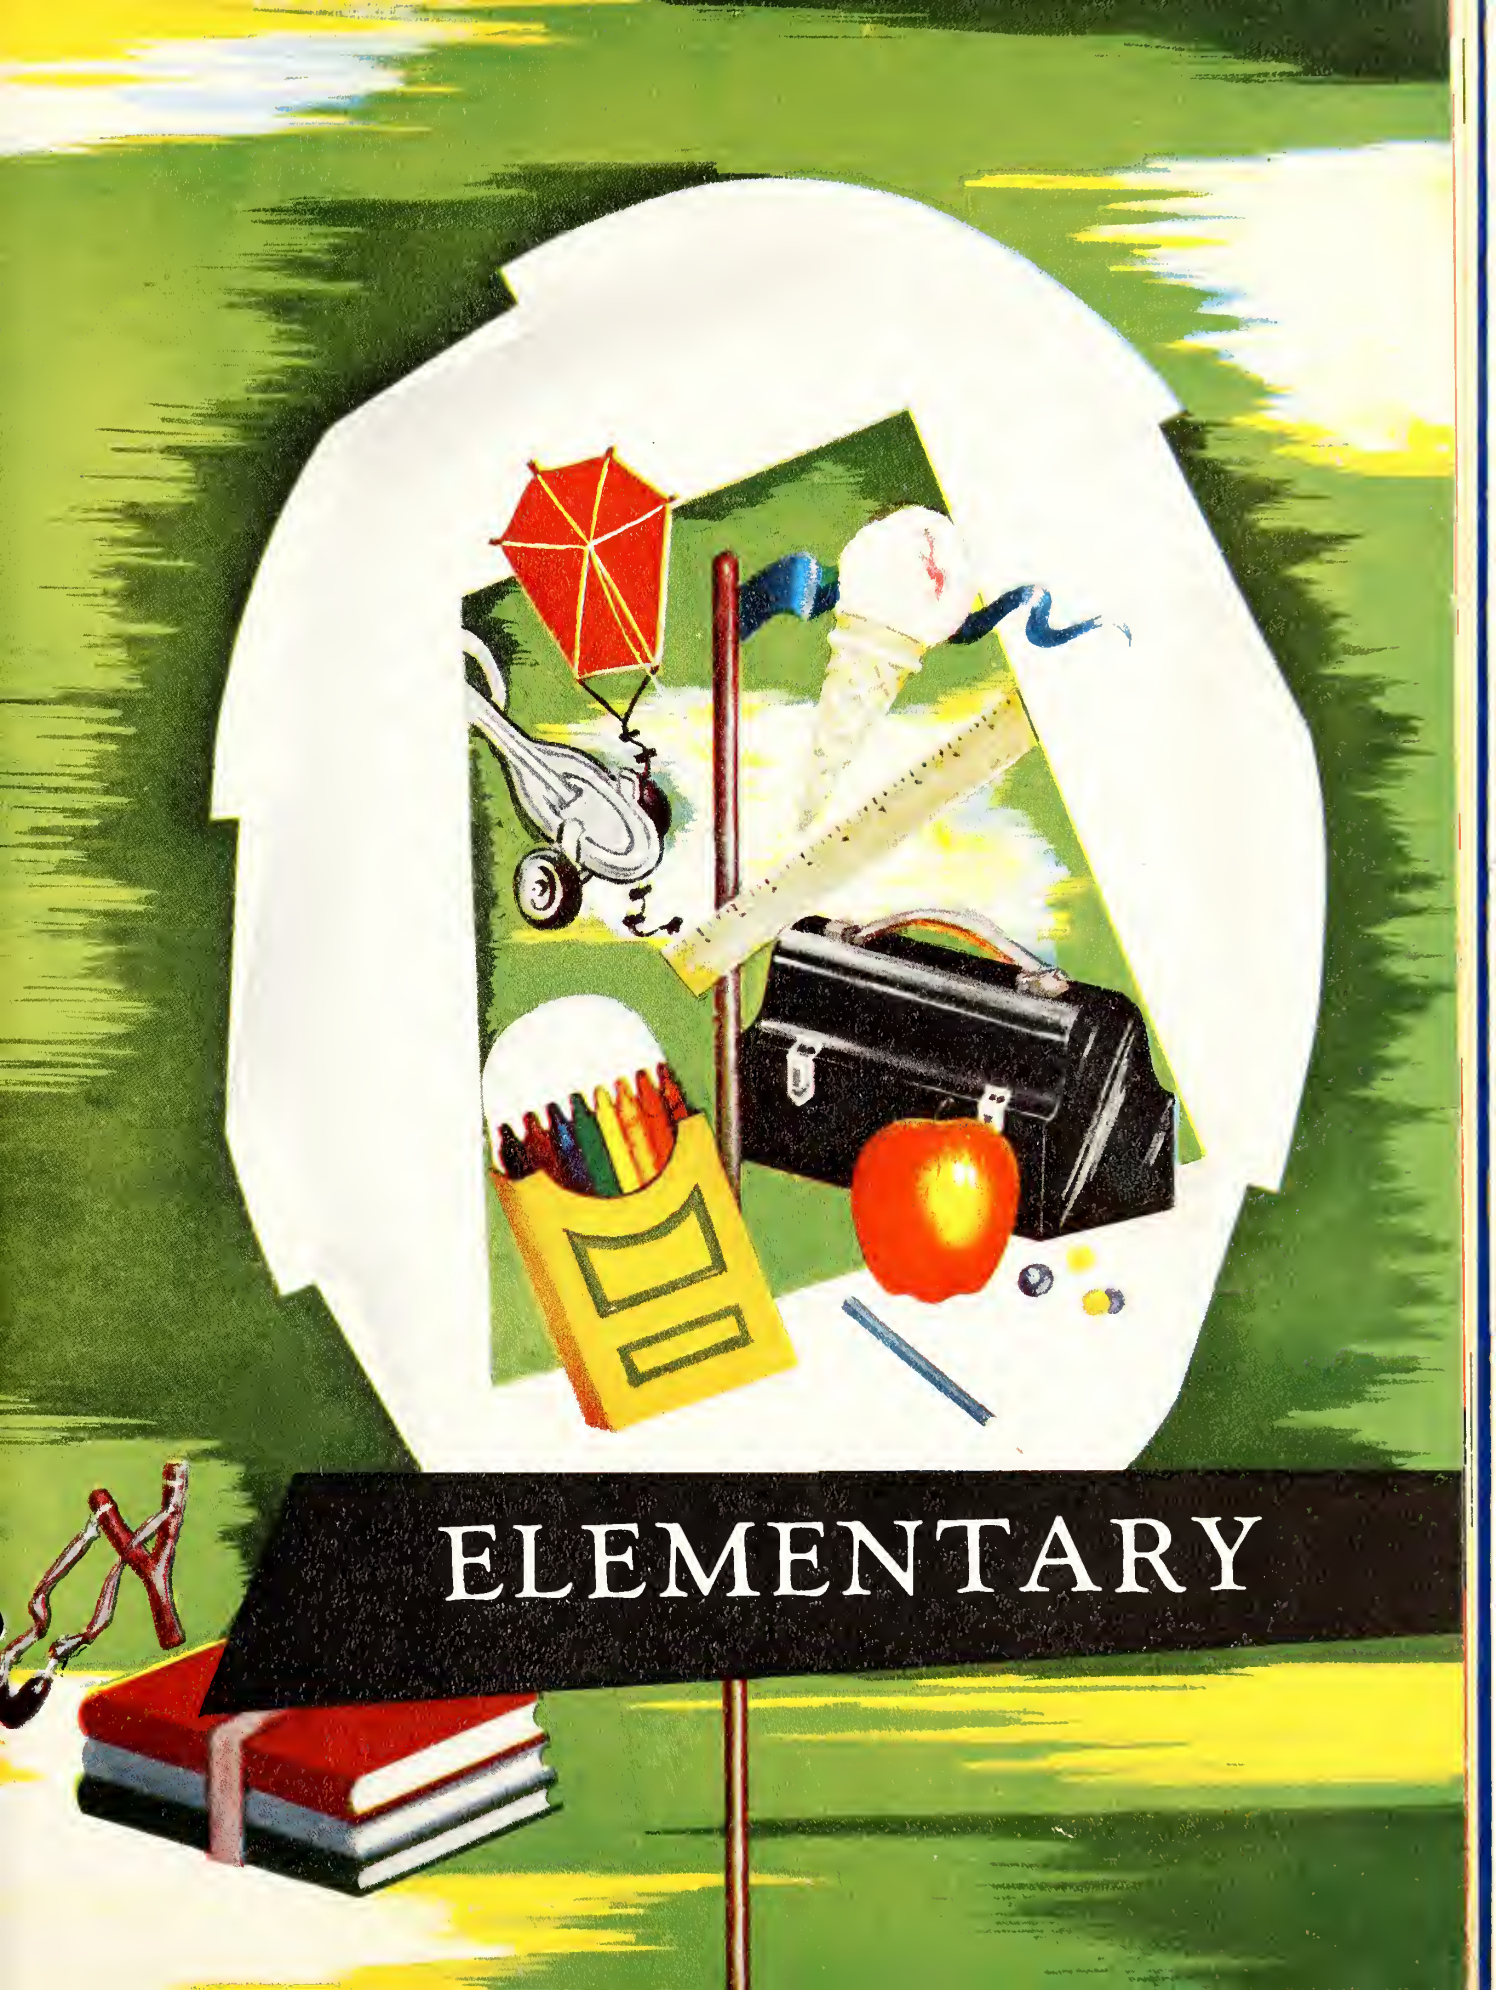
Mr. Schepman, our sponsor, acted as chairman for our class election the second week of school. Our class officers are Stanley Nay, president; Sonja Nay, vice president and cheer leader, and Jeanie Cook, Secretary and treasurer.

In addition to having a number who could be on the honor roll because of good grades, we have several on the junior high basket ball team. They are Roscoe Herald, Fred Johnson, Kenneth Deputy, and Stanley Nay. We have played several basketball games and have won most of them.

Since the beginning of school, we have lost two students, Carolyn Boals and Bill Witt, and have gained three new ones, Rita Dossett, Geraldine Coomer, and Billy Coomer, mading us thirty-three in number at present.

We think the seventh grade is gaining a reputation for working hard in class time and playing hard in play time and we want to keep that reputation.

Good luck! to the Deputy Panthers for the rest of the season and also to the senior class.



ELEMENTARY

SIXTH GRADE

4th Row: Morris Royalty, June McIntosh, Emma Butler, Kenneth Helton.

SIXTH GRADE HISTORY

On September 18, 1950, the sixth graders found themselves in a new home in the old commercial room, where ordinary desks had replaced typewriters and book-keeping study tables. Twenty-eight pupils enrolled at the beginning of school, but in December Jane Spicer moved to Austin.

Although our group is not large we are rather crowded in our narrow room; but we are studying hard and enjoying ourselves at the same time.

This fall we organized a softball team. A great deal of spirit was aroused in our games with the other classes. We are glad that we had a chance to participate in the P. T. A. Christmas program.

FIFTH GRADE

1st Row: l. to r. Howard Henry, Gerald Creech, Hazel Eversole, Joyce Webster, Norman Brown, Jerry Melton, June Hatton, Louise Turner, Clyde Parker, Russell Lowry.

FIFTH GRADE HISTORY

When school opened in September, forty-three lively children enrolled in the fifth grade. We have had only one pupil, Perlie Spicer, to move away and one new member, Maurice Chamness from Vienna, join us still keeping our enrollment at forty-three.

Many times we have complimented ourselves, despite the largest class of school, in getting along and working so well together.

During the year our class sold greeting cards and nearly everyone earned for himself a Testament or Bible as a reward. We are planning much more fun the remainder of this year as well as trying to all become sixth graders next year.

FOURTH GRADE HISTORY

Thirty-three enthusiastic fourth graders were enrolled the first day of school and we still have the original number. Our average daily attendance has been high, and as a result, interest in our work has never lagged.

World conditions being what they are today made us realize that we should put forth more effort in trying to be better citizens and live more congenially with our neighbors. Through special emphasis and by example, experience and study, I hope we have learned, a little better, to respect each others differences and have developed a feeling of brotherhood for all people.

THIRD GRADE

THIRD GRADE HISTORY

Our class enrolled the first day of school with twenty-seven members. Most of us had spent our previous school years at Deputy school, so we were not long getting acquainted and started on our third year activities.

Class attendance has been exceptionally good. We have tried to give some special attention to spelling and reading. We were glad to have some music and art added to our schedule.

SECOND GRADE

SECOND GRADE HISTORY

School opened September 18, 1950 with an enrollment of thirty-two children in the second grade. In October Glen Austin moved to near Columbus, but we soon welcomed another boy, Ray Dossett, to our class, thus still making sixteen boys and sixteen girls.

Our attendance hasn't been very good due to chicken-pox, colds and the inclement weather.

We are all working hard getting ready for examinations and looking forward to starting on the second semester work.

FIRST GRADE

1st Row: L. to R. Don Campbell, Joyce Ray, Eddie Cain, Linda Prather, Brown Graham, Donna Robinson, Lloyd Owens, Dorothy Mann.

FIRST GRADE HISTORY

September 18, 1950 was the first day of school for twelve little boys and thirteen little girls of the Deputy community. Ahead are first days for several years to come and if these boys and girls can meet them all with as much courage as they displayed this year, they will be well on the way to securing an education.

During our ninth week Patty Ann Boals moved to Indianapolis. Bobbie Joe Righthouse entered from Indianapolis during the second month. So now we have thirteen boys and twelve girls.

In spite of ice, snow and cold, our attendance has been very good.
We are finding that along with our work come many good times at school.
We all liked our pictures very much. Also "Old Santa's" visit.
We are twenty-five little boosters for D. H. S.

ATHLETICS

BASKETBALL GAMES

On November 1, 1950, Deputy opened their 1950-51 basketball season by playing Lexington at Deputy. Deputy started off with a bang and led at the end of the first quarter 16-8. Lexington began tossing in some points and the half ended 21-22 in Lexington's favor. From there Lexington went on to a 49-40 victory. Bill Bush was high point man with 12 points. The Little Panthers lost 34-23.

On November 10, Deputy played their first conference game on our home floor. The first quarter ended with Deputy's 11 points to North Madison's 8. The Tigers pulled ahead for a seven point lead at the half, then coasted on for a 57-39 victory. Bud Shelton was high with 16 points. The Little Panthers lost a close one, 27-23.

On November 14, Deputy traveled to Hanover to be beaten 64-40 despite Bud Shelton's 21 points. The first quarter ended 10-5 in Hanover's favor. The second quarter 16-30, Hanover, and the third quarter was 30-49, Hanover. The Hanover Bullpups won over our Little Panthers by a 17 point margin.

November 17,1950, seemed to be a lucky day for our Panthers. Even after three straight losses they didn't give up. The Panthers blasted the Paris Pirates 43-25. Bill Bush was high with 18 points, and Bud Shelton was second with 12. Even the second team was feeling good on that particular night, for they won 31-22

On November 21, Deputy played Dupont at Dupont. The Hornets led at all stops. We were defeated 53-41. Shelton was high with 21 points. The Little Panthers lost by a score of 43-19.

Cheer Leaders

L. to R. June Von Dissen, Judy Henry, and Ellen Hammersley.

On December 5, Saluda came to Deputy. It turned out to be Deputy's fourth conference loss. Saluda was red hot and our Panthers just couldn't seem to keep up. The final score was 46-58. Shelton was high with 24 points. The second team lost 20-54.

December 14, Hayden journeyed to Deputy to be beaten by 8 points. Deputy led at every stop. The final score was 60-52. Shelton was high with 26 points.

On December 15, Deputy traveled to Vernon. It looked bad from the beginning as Vernon led at every quarter. The final score was 53-45, Vernon. Again Shelton was high with 25 points. The Little Panthers lost 32-18.

December 20, Deputy welcomed Central. It seemed as though Central couldn't be stopped because the Wildcats led at every stopping point. The final score was 39-52. Shelton was high with 11 points.

January 1, 1951 Deputy played Lexington the second time. The Minutemen led at all stops. The final score was 63-45. Bush was high with 18 points. The Little Panthers won 23-19.

On January 10, the Panthers went to Paris to battle it out with the Pirates. The Panthers seemed to be hot on this night, for they led all through the game. The score was 56-30. Shelton was high point man with 25 points. The Little Panthers won 20-16.

January 12, the Panthers traveled to Central to be defeated 51-64. Shelton was high with 24 points. The Little Panthers came out on the short end 36-21.

January 19, marked the beginning of the County Tourney. We played Central and came out on the short end of a 55-59 score. Shelton was high point man with 26 points. Last year our Panthers brought home the "Old Oaken Bucket." This year we gave it up and North Madison proudly took it home with them.

On January 26, Deputy journeyed south to Saluda for their second loss to Saluda, and seventh conference loss. At the end of the first quarter the score stood 14-14, second 45-39, for Saluda, the third, 54-60, and the final was 68-58. High man was Shelton with 31 points. The second team lost 49-20.

January 30, 1951, Deputy again traveled away from home, this time to North Madison. This game was rather close, the first quarter ended 12-12, the second 34-34, in the third quarter North Madison pulled ahead three points and stayed there for a 64-57 win. Bush was high with 25 points. The second team lost 18-40.

On February 10, the Panthers tangled with the Alumni,(you know kids, the "old" Panthers.) This game proved that "once a Panther, always a Panther", for the Alumni came out on top by a score of 65-49. Shelton was high with 20 points.

February 9, Hanover cane to Deputy and defeated our Panthers 44-57. Deputy led up until the third quarter, when the Bulldogs pulled ahead by 4 points and then fought to hold that margin. Shelton was high with 19 points.

On February 12, the Panthers traveled to Vernon to meet Hayden. Deputy came out on top of this one by 4 points. The Panthers led the Haymakers to the finish. Shelton was high with 19 points. The reserves lost a close one, 49-45.

On February 16, Deputy lost to Dupont 37-44. They seemed to be on the short end at all stops. Shelton was high with 17 points. The second team lost 59-19.

Then on February 23, 24, Deputy, as all other county teams,bowed out of the 1950-51 basketball season. We played Lexington in the Sectional Tournament and for the third time Lexington defeated us; this time by a score of 61-43. The half time score was 30-18, but in the third quarter our Panthers came within 4 points of the Lexington team. Bud Shelton was high with 19 points.

We were very happy to be able to say that the county's leading scorer was one of our Panthers, none other than Bud Shelton. He was more than one hundred points ahead of the second scorer. Bill Bush was also one of the top ten scorers in the county.

ACTIVITIES

JUNIOR - SENIOR TRIP 1949-50

May the 13th saw the juniors and seniors of 1949-50 with four of the faculty, Mrs. Kinder, Mrs. Taff, Mr. Barnes, and Mr. Butler, climb aboard the White Star Bus bound for Washington D. C. Though it was rather early in the morning for us to be up and going, we were all eager to be on our way. Besides the dear old school building to bid us good-by and a pleasant trip were a few of the parents. It was a perfect day for traveling which made our spirits soar that much higher.

Our first rest stop was in Clarksburg, Ohio and then on to Chillicothe, where we ate dinner. From here we proceeded on to Parkersburgh, West Virginia where we were to spend the night at the Blennerhasset Hotel. After being shown to our rooms, we went out to supper and to a movie. Soon after returning to our rooms Mrs. Taff and Mrs. Kinder surprised the girls with a large box of candy which we all enjoyed. Although we finally got to bed, we slept very little because of the constant phone calls from our classmate down the hall.

It was a sleepy but happy group that left Parkersburg on Sunday morning. We had one rest stop and then on to Table Rock Inn which is located on the top of Back Bone Ridge, where we all enjoyed a delicious dinner. After buying a number of souvenirs, we left on the last lap to Washington.

We crossed West Virginia, Maryland, entered West Virginia again, Virginia, and then into the District of Columbia arriving in Washington about 7:30 on Sunday evening. After taking our suitcases to our rooms, we went up town to eat supper. We then visited the Mayflower Hotel before returning to the Cairo Hotel where we were staying during our time in Washington. After a long day of travel everyone was glad to settle down for a good night's rest.

Monday morning saw us ready to start our tour of the city. The first place we visited was the Pan American Building. Everyone was impressed by the tropical beauty of the Spanish patio which had almost every kind of tree and plant that grows in South America.

Next we visited the Bureau of Printing and Engraving. Never had we seen so much money! We were shown around by a guide who answered questions as well as told us how the money was made. From here we went to the National Gallery of Art. Here one of the most famous art collections in the world is found in the rose-white marble gallery which was Andrew Mellon's 15 million dollar gift to the nation. Though our knowledge of art wasn't sufficient to appreciate the great collection, it was all very interesting.

Our last tour before noon was the Capitol building. One of the highlights of this tour was our ride in the Senate subway before going into the Capitol. After going through many of the rooms we sat in the gallery overlooking the House Chamber and watched five minutes of a session. We also visited Earl Wilson our congressman, and had our picture taken with him.

After dinner we toured the Federal Bureau of Investigation where we were told and shown how the F.B.I. does its job - whether it is smashing a big spy ring or tracking down a notorious public enemy. A guide showed the tools and instruments used in crime and its detection, explained the finger print system used by the bureau, looked at the crime detection laboratories, and finally we were taken to the firearms identification laboratory where a special agent gave an exhibition of how deadly the G-men are with guns. This was one of the most interesting buildings we visited.

From here we went to the Washington Monument . We ascended to its summit by the large elevators. Many of the group took pictures from the top of the monument. We stopped at the Lincoln Memorial and the Jefferson Memorial. The huge statues of both men were one of the most impressive sights. On our way back to the hotel we passed many of the embassies. Among those we saw were the British, Venezuelan, Japanese, Russian, and Spanish Embassies. Also we drove through the Zoo.

When we got back to the hotel we were ready to rest after walking so much and climbing so many steps. The evening was spent by most of us in talking over the events of the day and listening to the radio with members of the group coming in and out of our rooms during the evening.

Tuesday found us ready for another day's tour beginning with the Smithsonian Institure. One of the highlights in the aircraft building was the "Spirit of St. Louis," used by Charles A. Lindbergh in his history-making trans-Atlantic flight. There were so many interesting things in this building that there wasn't nearly enough time to see as much as we would have liked to. Close to this Smithsonian Institute was the Medical Building that several of us visited. From here we went to the Supreme Court Building which is considered one of the most beautiful structures in the world. The white marble winding stairway was one of the most interesting things in the interior. Across from the Supreme Court Building was the Library of Congress which is the largest library in the world. One of the library's chief attractions is the original of the Declaration of Independence and the Constitution.

After noon we went to Mount Vernon, stopping on the way at Arlington National Cemetery. On the highest point of the cemetery is the Tomb of the Unknown Soldier, guarded night and day, and resting on the white marble platform of the impressive amphitheatre. Here, too, is the Lee Mansion which we went through. It has some of the most beautiful furnishings that were seen on our trip. We proceeded on to Mount Vernon. After touring the house, out buildings, the gardens, and the tomb of George and Martha Washington, we boarded the bus and started back to the hotel. We went through the historic city of Alexandria where many historical places were pointed our to us by our guide. We made a brief stop at the Airport and then went bact to the Hotel.

Though we were worn out, nearly everyone was ready for the excursion on the Potomac River that night. The boat went as far as Mount Vernon and back.

With our stay ended in Washington we started for Pittsburgh, Pennsylvania, on Wednesday morning at 7:30. We arrived at Gettysburg about 10:00 and picked up a guide to accompany us to the battlefield. The guide explained the battle and pointed out the various points of interest such as Little Round Top, Big Round Top, General Meade's head-quarters, the "Wills House" in which President Lincoln wrote the "Gettysburg Address," and the Jennie Wade House.

At Harrisburg we hit the turn-pike which stretches 160 miles from Harrisburg to Pittsburgh. The interesting points on the highway were the seven tunnels we went through. We stopped at the Midway for a rest stop.

We arrived in Pittsburgh at 5:30. After putting our things in our rooms in the Sheraton Hotel where we were to spend the night, we ate supper then attended a movie. Because this was our last night, several decided that they wouldn't do much sleeping. Those could be detected the next day on the bus. For some reason they seemed a little sleepy!

Our bus left the Sheraton Hotel at 7:30 for our last day of travel. We had a rest stop in Cambridge, Ohio, and dinner in Lancaster. Our afternoon rest stop was in Cincinnati. From here on the seniors had their choice of seats on the bus; just a little favor done by the juniors!

It was a tired but very happy group that got off the bus in Deputy about 5:00. There was a little sadness in our thoughts because this was really the last time the seniors would be with us on any school activities.

Those who went on this trip will never forget it. We express our thanks to the faculty who helped to make the trip a success.

Class History

On entering our freshman year in high school, we felt we had reached a marked goal in our lives. Fourteen members entered in the 1947-48 freshman class. Those were Anna Belle Bowlin, Howard Ross Von Dissen, Howard Stites, Donald Ritzline, Melvin Bush, William Bush, Hice Turner, Betty Eppley, June Von Dissen, Regina Rutherford, Joyce Phillips, Ellogene Fields, Alma Cochran, and Shirley Henry. Mr. James E. Jenkins was our class sponsor. The class officers were Joyce Phillips, President; Betty Eppley, Vice-President; Anna Belle Bowlin, Secretary and Treasurer.

On the day of our initiation we came to school looking very comical and feeling very uncomfortable. We were honored by a party at night. All of us enjoyed the party very much, but we felt we had earned our places as members of the high school

School opened September 17, 1948, with fourteen students entering as sophomores. One new student, Paul Peeler, entered that year. On October 15 we took great pleasure in initiating the freshmen. In our first class meeting of the year we elected the following officers: Joyce Phillips, President; Paul Peeler, Vice-President; and June Von Dissen, Secretary and Treasurer. During the first semester, Regina Rutherford moved to Kentucky. Paul Peeler and Melvin Bush withdrew. Anna Belle Bowlin was elected to succeed Paul Peeler as Vice-President. Mr. Robert Millis was our class sponsor.

When school reopened in September, there were ten members of the junior class, six girls and four boys. Our class officers were elected as follows: Joyce Phillips, President; Alma Cochran, Vice-President; Anna Belle Bowlin, Secretary; and Shirley Henry, Treasurer. Mrs. Aleeta Kinder was our class sponsor.

We felt quite important during our junior year. On December 9, we received our class rings of which we are all very proud. We sold cokes and candy at the home ballgames and candy at noon to help build our funds for our trip to Washington, D. C. We also sponsored a box-social on January 31 which proved very successful. Early in November, we presented the play, "Come Rain or Shine," which was a great success and we extend thanks to Mrs. Kinder for the success of the play.

Bill Bush was the only junior on the basketball team and Betty Eppley was elected cheer-leader for the third year.

School opened in Septomber 1950 with nine seniors. They were Alma Cochran, Joyce Phillips, June Von Dissen, Anna Belle Bowlin, Shirley Henry, Howard Ross Von Dissen, Howard Stites, Bill Bush, and Donald Ritzline. After the Thanksgiving vacation, Betty Eppley re-entered to graduate with us at the end of the year. Officers were elected as follows: Joyce Phillips, President; Shirley Henry, Vice-President; June Von Dissen, Secretary; and Alma Cochran, Treasurer. Anna Belle Bowlin was chairman of all committees. Mr. Butler was our class sponsor.

Bill Bush is the only member of the class who plays basketball and we are very proud of his good work.

How we have wished to be seniors! Now that we are members of that class, time is passing much too quickly. Each day brings the end of school closer and with it our senior play and graduation exercises. Whether our last days of high school will be sad or happy ones, we are, nevertheless, looking into the future with eagerness.

JUNIOR CLASS HISTORY

When school began in September the class had fifteen members, seven girls, and eight boys. Our class officers were elected as follows: Benita Cole, President; Avery Gray, Vice-President; Katy Von Dissen, Secretary and Treasurer. Mrs. Aleeta Kinder was our class sponsor.

As do all junior classes, we sold candy and cokes at ballgames and during each noon hour.

We received our class rings on November 15 after much eager waiting. We like them very much.

We are proud of our basketball players: Buddy Shelton, Roy Huff, Bobby McCreery, Leroy Sipe, Avery Gray, and Richard Lowry. Marvin North is student manager.

SOPHOMORE CLASS HISTORY

As pleased as we were to be green freshmen, we were even more pleased to be full fledged sophomores when we entered school in the Fall of 1950.

At our first class meeting we elected the following officers: Carolyn Nay, President; Ellen Hammersley, Vice President; Judy Henry, Secretary; and Donna Wallace, Treasurer.

We lost three students from our class this year, Anna Huff, Betty Bowling, and Delbert Parker; but we will gain Raymond Martin the second semester.

Soon after school started we were busy planning the annual freshman-sophomore party. In order to make some money, we took orders for home-made cakes and we were quite successful in this venture, for we made sixteen dollars.

Our class has been represented in the activities of the chorus, which sang for the junior play and for the Christmas program. Judy, Ellen, and H. C. are in the orchestra.

We are proud to be represented in basketball by Paul Gene Finch, on the first team, and Larry Campbell and Robert Hatton on the second team. H. C. Eversole is student manager, and Judy Henry and Ellen Hammersley are cheerleaders.

Now we are looking forward to tournament time, the senior play, the all-school picnic and all the other good times we have as the end of school comes.

We hope to be back next year as juniors when we want you to sit up and take notice, because if we are few in number we think it's still true that precious things are done up in small packages.

Our best wishes to the seniors of 1951!

FRESHMAN CLASS HISTORY

On September 18, 1950, twenty-two green freshmen, eight girls and fourteen boys entered Deputy High School. We have been very fortunate to keep all twenty two of them.

At the first of school we elected the following officers: Sue Von Dissen, President; Donnie Ellis, Vice-President; Daisy Eversole, Secretary; Marilyn Jones, Treasurer.

We appreciated the hearty welcome the sophomores extended to us in giving the initiation party at the gym in October.

We are proud of our basketball players, Lloyd Jones, Howard Baxter and Gene Melton.

Class Will

We, the class of 1951, in the town of Deputy, the county of Jefferson, and the state of Indiana, being in as good mental condition as usual, and in much better temper than usual, do hereby make this, our last will and testament, rendering void and of no avail any former will or wills that may have been made previously by us during a period of temporary optimism.

Bill Bush wills his ability to stay out of trouble to Bobby McCreery and Leroy Sipe, and his physique and basketball ability to Hice Turner.

Joyce Phillips wills her red hair to Katy Von Dissen so she will have something to match her temper.

Howard Stites wills his ability to talk fast to Margaret Rutherford so people won't notice her Kentucky brogue.

Howard Von Dissen wills his ability to wreck cars to Marvin North and his fast and exciting life to Roy Huff.

June Von Dissen wills her slender build to Benita Cole so she can get around faster and get her a man.

Donald Earl Ritzline wills his ability to stay at home at nights to Martha Jo Ford. She looks as though she needs the sleep!

Alma Cochran wills her ability to get in the assembly to Richard Lowry so he won't need the excuse of a pain in his side.

Anna Belle Bowlin wills her ability to get by without studying to Buddy Shelton so he can get out and have some fun.

Betty Eppley wills her talking ability to Avery Gray so he can keep on arguing the teachers out of his grades.

Shirley Henry wills her typing ability to Eleanor McClanahan and Betty Ritzline so the waste paper cans won't be so over-loaded and she also wills her height to Marjorie Johnson so she won't look like an eighth grader.

Last of all we will the junior class our good luck. It made us what we are today and it should satisfy them.

The senior class wills to our good friends, the sophomores, our patience. This they will need next year to endure the juniors.

The senior class wills to the young freshmen our little book entitled, "How to Tell the Teachers", a book compiled by us after four years of arduous study. It contains information on which teachers can be bluffed and which cannot, those that are hard to please, and those that are impossible to please. What to talk about in science class to forget the lesson and be interesting. What authors you must like to stand well in the English department. This information is invaluable to those wishing to make high grades in subjects mentioned.

To our principal we give and bequeath a sense of relief that we have at last been graduated.

To our teachers we bequeath our valuable sense of humor, without which we should have found school life painful indeed and which will do much to make it endurable for them.

To our School

Here's to our school whose slightest rule
We never broke or disobeyed.
Well, just a few, a time or two,
We bent or fractured, I'm afraid.
But even so, each heart's aglow
With proud affection, real and true.
We all acclaim your worth and fame,
And, Deputy High School, here's to you.

CLASS PROPHECY

The Junior Class having taken a thorough course in phrenology, found some interesting skulls in the Senior Class. And after deep study we found that after ten years, these students will be:

DONALD RITZLINE:

Don is an example of the perfect speaker. He never stutters or stammers. And how he can pronounce those long words! He is to be presented with a medal for the preservation of correct speech.

****

Your voice, sir, will travel far and wide,
Giving lectures by radio;
You'll talk on cooking, sanitation,
And things that men ought to know.

JOYCE PHILLIPS:

Joyce, after much travel extending over Europe and Northern Africa, has now settled down as the head nurse at John Hopkins' Hospital, experimenting with the cure of the sneeze. She is also head of Dr. John Williams, residence on Bond Street.

****

You would like to travel the ocean,
Such trips give you thrills of delight,
But you'll take your trips in the water
In the bathtub on Saturday night.

HOWARD STITES:

We find Howard as an accountant and bookkeeper at the Lookout First National Bank. Isn't that amazing? Remember how much trouble Howard used to have with his sets back in "49" and "50"? We hear Howard still saying, "Well, it wasn't easy."

****

You are fond of handsome young ladies,
You have loved a dozen or more,
But you'll marry a homely fat widow
Because she has riches galore.

BETTY EPPLEY:

Betty is the charming type, domestic, has a slight inferiority-complex due to the fact that she has received only second in a state-wide bread baking contest. After several years she will be the wife of a prominent business man with the nicest home and the best meals in town. Her husband will become bored and run away with the cashier at the tearoom around the corner from their home.

****

You're too gentle to utter harsh words,
And cross looks you seldom bestow;
You will wed a homely boob because
You're too kind to hand him a "NO".

HOWARD VON DISSEN:

Howard, three times Governor of the state of Missouri, leader of the new Progressive party. His motto is "All for one, and that one is me." Was candidate for Presidency last year and defeated by one vote, cast by his campaign manager.

****

You're brave and courageous at football,
A hero on the field of strife,
But you'll marry a nice little maiden
And mind her the rest of your life.

SHIRLEY HENRY:

Shirley is a vocalist and composer of distinction. Leading baritone of the Cosmopolitan Opera Company. She will be the happy wife of James Caesar Petrillo, Jr. For the next five years she will be the leader of the Phildiscordant Orchestra and the Air Force Band. Her hobby will be raising Airdales because they remind her of musicians.

****

You like to sing and you like to dance,
You're fond of a life that is gay;
Ah, the change when you wed and have to cook
Three generous meals ev'ry day!

WILLIAM BUSH:

Bill has an athletic type and a lethargic mind--the patient type. He likes to sit and watch things. He is deeply interested in athletics, but cannot be manager of a ball team or boxer, as that would require too much moving around. He will keep a racing stable. He will keep a stable of racing snails, lie in a hammock, and gaze at the cool gray stone of the track, as his faithful snails crawl on and up to victory.

****

Bill is just like a worm, he'll squirm around until some chicken picks him up.

ALMA COCHRAN:

Mrs. Nicholas Gardenia, better known to us as Alma Cochran, was one of the raving kind. She is a well-known reporter of the Spooky Hollow Times. Because of her ability to look into other people's business without being embarrassed, and her cast-iron nerves, she will be an excellent one. Fifty years from now, grey haired perhaps, and a bit wrinkled, but still young at heart, she will be able to report next weeks' gossip last Monday.

****

In twenty years when the class comes back,
You'll find it's your happy fate,
To discover that you are the only one
Who has raised a family of eight.

ANNA BELLE BOWLIN:

Annie is a strange case, troubled by a recurrent dream in which she is a canary bird being chased by a cat. She told me she thought this meant that she was to be a pet shop keeper. Wrong! She will be a singer. She will become the fastest talking "Model-Mother" on Cadilac Square.

****

The biggest woman in your class-
Such indeed will be your fate;
When the class reunes ten years from now
You'll find yourself the heavyweight.

JUNE VON DISSEN:

We see the headlines on the ol' home town "Chronicle" announcing "June Von Dissen, America's Girl Friend, in Cinderella's Sandals, the all-talking, all-singing, all-dancing, all-colored epic of the year. Miss Von Dissen plays three musical instruments, including a vacuum cleaner. Don't miss it."

****

You'll become an actress of note
North and South will your fame be sung,
And those gathered here will say with pride,
"We knew her when she was young."

WE SEE "CARMEN"

The sophomore, junior, and senior girls were guests of the Psi Iota Xi sorority at the Indianapolis Symphony presentation of the opera, "Carmen", January 22, 1950.

Tickets were made available through the courtesy of Miss Elsie Sweeney of Columbus, a benefactor of the Indianapolis Symphony. Mrs. Aleeta Kinder was sponsor of the local group.

Traveling by bus to Indianapolis, the girls were impressed with the seasonal decorations of our capital city and particularly with the replica on the Circle of the Wise Men's visit to the Christ Child.

"Carmen" was sung only partially in English and only partially dramatized; but the participants were costumed as in Bizet's original composition, and as the story was familiar to the group, it was easy to follow the story of this loved musical drama.

The musical background was beautifully provided by the Indianapolis Symphony under the direction of Fabien Sevitzky.

The group is grateful to the Psi Iota Xi and to Miss Sweeney for a lovely holiday treat. As Wordsworth would say:

"The music in my heart I bore long after it was heard no more."

Those attending in the local group were Shirley Henry, Joyce Phillips, June Von Dissen, Betty Eppley, Eleanor McClanahan, Martha Jo Ford, Margaret Rutherford, Marjorie Johnson, Katie Von Dissen, Betty Ritzline, Benita Cole, Alma Cochran, Carolyn Brown, Judy Henry, Carolyn Nay, Donna Wallace, and from Paris Crossing, Shirley Joseph, Lorretta Green, and Wilma Garrity.

Besides Mrs. Kinder, co-sponsors for the Gamma Lambda Chapter of Psi Iota Xi were Mrs. Elda Manes, Mrs. Ike Taff, and Mrs. Crystal Lurton.

HALLOWEEN CARNIVAL

The senior class sponsored a Halloween Carnival at the gym on the night of October 31. The gym was decorated in keeping with the occasion with jack-o-lanterns, corn shocks and black and gold crepe paper.

Those who came costumed paraded before the judges and prizes were given to the three best costumed.

Everyone enjoyed the horror house, the fortune telling booth, the fish pond, the dart board, and the refreshment stand where we sold cold drinks, pie, popcorn, cocoa, and sandwiches.

FRESHMAN-SOPHOMORE PARTY

On one night in October the sophomores had a party for the freshmen at the gym. All the sophomores and most of the freshmen were there. The sophomores thoroughly initiated the freshmen and had a delightful time playing games afterward. We thought Mr. Butler earned the right to be called a sophomore after he ran with Nancy Sue in the suitcase race.

We think the freshmen enjoyed the party as much as the sophomores enjoyed giving it.
